

## SCHOOL AND COMMUNITY SERVICE FORM

50 total hours of volunteer service between Grades 10-12 are required in order to graduate. Students are strongly encouraged to perform at least 10 hours each year (June-May). There is no limit on the number of hours a student can earn over the summer, but at least 6 hours must come during the school year each year (August-May). Students who participate in group service events (church mission trips, etc.) during school holiday sessions will be credited with a maximum of 5 hours of service per event; there is no limit on the number of events in which a student may participate.
